Boarding Authorization

Owner Name _____ **Pet Name** _____

Admission Date _____ **Discharge Date** _____

1. All pets presented for boarding **MUST be healthy**, free of any infections and disease. We will need proof of current vaccinations and it is recommended that your pet is vaccinated for the kennel cough virus while boarding. **If your pet is not up to date on their vaccinations then they will need to be vaccinated on the first day of boarding with us.**

2. Please bring your pets food when you come! If a special diet is requested/required for medical reasons, the owner will need to provide us with their food. If not, we do provide Royal Canine or Science Hill's Diet food and there will be an additional charge for this service.

3. We require that any pet admitted for boarding that has a flea problem be given a flea bath on their first day in the hospital. A fee for this service will be added to our regular boarding charges.

4. In case of emergencies with your pet while they are boarding at our hospital, please provide us with your out of town phone number or the name of a contact person and their info.
